

Senior Yearbook Pose and Order Form - Class of 2019

Packages on this order form are for quick yearbook sessions and only available on the day of the session

Quick Yearbook Session

Our Quick (yearbook) session is for seniors that want to only be photographed for the yearbook.

This is a session that we provide to every senior at **No Charge until October 31st 2018**. After this date, quick sessions will be charged at regular price of \$49. A quick yearbook session is a 10 minute very basic head and shoulders session. We will take 4 to 5 images in the traditional drape (girls) or the tuxedo top (guys) which we provide.

VERY IMPORTANT. You will choose your yearbook image immediately after your quick yearbook session. **We do not post images online.**

Parents: If you wish to see or help select the image that goes into the yearbook, you must accompany your son or daughter on the day of the session as well. We do not post images online.

Ordering Pictures

You have the option to order pictures on the day of the session at a discounted price or from our regular prices at a later date. If you wish to order at a later date, you will need to call our studio to schedule an appointment. You will only be able to order the image that was selected on the day of the session.

The discounted packages in this flyer are only offered on the day of the quick yearbook session
